I never credited Veciana's "Bishop" story and it is one that seriously violates Tradecraft No intelligence operative would dream of so serious a dangerous an opperse. After I+ECd + reading this I still do not credit it.

12/15/89

Whether or not Veciana worked directly for CIA, he did through the AFL-CIO's Serafino Romualdi operation & Trunk was called the Latin American Federation of Free Trade Unions. It was a vital part of the over throw of the Cheddi Jagan government in British Guyana
